

International Survivors of Suicide Loss Day

Fill your cup!

Join StandBy for a morning tea in the lead up to
International Survivors of Suicide Loss Day November 23, 2024.

For **International Survivors of Suicide Loss Day**, we invite you to fill your cup physically and metaphorically by hosting a morning tea with friends, family, colleagues, to share memories, stories and experiences over a cuppa and while building connections and community.

We acknowledge the individuals, families, friends, carers, colleagues and communities bereaved and impacted by suicide each year.

An individual life lost to suicide, represents a person who was loved and a life which was valued and will be missed.

By generating conversations regarding suicide loss and the support available we can make valuable connections and create hope for those bereaved and impacted.

StandBy is dedicated to assisting people and communities bereaved or impacted by suicide.
